Signs or evidence found date: ____/____/____
Resident ____ or Seasonal: summer ____ winter
- 

Canada Goose | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer ____ winter ____
- 

Common Goldeneye | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident ____ or Seasonal: summer ____ winter
- 

Common Loon | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident ____ or Seasonal: summer ____ winter
- 

Double-crested Cormorant
Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer ____ winter ____
- 

Green-winged Teal | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident ____ or Seasonal: summer ____ winter
- 

Mallard Duck | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer ____ winter ____
- 

Pelagic Cormorant | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer ____ winter ____
- 

White-winged Scoter | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident ____ or Seasonal: summer ____ winter
- 

Bald Eagle | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer ____ winter ____
- 

Belted Kingfisher | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer ____ winter ____
- 

Dunlin | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident ____ or Seasonal: summer ____ winter
- 

Glaucous-winged Gull | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer ____ winter ____
- 

Great Blue Heron | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer ____ winter ____
- 

Greater Yellowlegs | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer ____ winter ____
- 

Killdeer | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer ____ winter ____
- 

Osprey | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident ____ or Seasonal: summer winter ____

- 

Western Sandpiper | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident ____ or Seasonal: summer ____ winter

2 Fields, Meadows, Woods & Hedgerows

Location > Trail loops in the North Clear Creek Valley, Waaga Way to Trigger Avenue

- 

American Goldfinch | Date seen: ____/____/____
Signs or evidence found date: ____/____/____

Signs or evidence found date: ____/____/____
Resident or Seasonal: summer ____ winter ____
- 

Band-tailed Pigeon | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer ____ winter ____
- 

Barn Swallow | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident ____ or Seasonal: summer winter ____
- 

Black-headed Grosbeak | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer ____ winter ____
- 

Cedar Waxwing | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer ____ winter ____
- 

Common Yellowthroat | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident ____ or Seasonal: summer winter ____
- 

Cooper's Hawk | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer ____ winter ____
- 

Mourning Dove | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer ____ winter ____
- 

Northern Harrier | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident ____ or Seasonal: summer ____ winter
- 

Red-Tailed Hawk | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer ____ winter ____
- 

Ring-necked Pheasant | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer ____ winter ____
- 

Sharp-shinned Hawk | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer ____ winter ____
- 

Tree Swallow | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident ____ or Seasonal: summer winter ____
- 

Violet-green Swallow | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident ____ or Seasonal: summer winter ____
- 

Western Tanager | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident ____ or Seasonal: summer winter ____
- 

Willow Flycatcher | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident ____ or Seasonal: summer winter ____

3

The Ponds & Riparian Woods

Locations > Trail loops from Bucklin Hill Road to Waaga Way

American Crow | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer____ winter____

American Robin | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer____ winter____

Black-capped Chickadee | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer____ winter____

Bushtits | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer____ winter____

Chestnut-backed Chickadee | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer____ winter____

Dark-eyed Junco | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer____ winter____

Golden-crowned Kinglet
Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer____ winter____

House Finch | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer____ winter____

House (English) Sparrow | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer____ winter____

Marsh Wren | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer____ winter____

Pine Siskin | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer____ winter____

Purple Martin | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer____ winter____

Ring-winged Blackbird | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer____ winter____

Rock Pigeon | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer____ winter____

Ruby-crowned Kinglet | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer____ winter____

Rufous Hummingbird | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer____ winter____

Song Sparrow | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer____ winter____

Spotted Towhee | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer____ winter____

Steller's Jay | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer____ winter____

White-crowned Sparrow | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident ____ or Seasonal: summer winter____

4

Forested Wetland

Location > Trail loops from The Ponds up to Ridgetop Boulevard

Barred Owl | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer____ winter____

Bewick's Wren | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer____ winter____

Black-headed Grosbeak | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer____ winter____

Brown Creeper | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer____ winter____

Downy Woodpecker | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer____ winter____

Hairy Woodpecker | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer____ winter____

Northern Flicker | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer____ winter____

Olive-sided Flycatcher | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident ____ or Seasonal: summer winter____

Pacific (Winter) Wren | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident ____ or Seasonal: summer winter____

Pileated Woodpecker | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer____ winter____

Red-breasted Nuthatch | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer____ winter____

Red-breasted Sapsucker | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer____ winter____

Swainson's Thrush | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident ____ or Seasonal: summer winter____

Varied Thrush | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident or Seasonal: summer____ winter____

Western Wood Pewee | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident ____ or Seasonal: summer winter____

Yellow-rumped Warbler | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident ____ or Seasonal: summer winter____

Yellow Warbler | Date seen: ____/____/____
Signs or evidence found date: ____/____/____
Resident ____ or Seasonal: summer winter____
